## Editorial Review

Review

**'I found this neat workbook challenging, often puzzling, ultimately rewarding. A fresh broom making short shrift of my cobwebs! I see English grammar now in a new way. Hudson is refreshing in his indifference to ancient taboos, of split infinitives and the like. This is a stimulating book for practical class teaching and for use by individuals. It is recommended for lending stock.'** - *Language & Literature*

About the Author

**Richard Hudson** is Professor of Linguistics at University College London, and Fellow of the British Academy. He is the *Language Workbooks* Series Editor and his publications include *Word Meaning* (1995) and *Teaching Grammar* (1992).
