### Revived (Forgotten) By Cat Patrick

Revived is a romance book for young adults with a twist. As romantic as Shiver or One Day; as intense as Before I Fall. The world fades to nothing, and before I have the chance to think another thought ...I'm dead. My name is Daisy West and my whole life is a lie. I have died five times. I've been Revived five times. With each revival comes a new name, a new town ...a new life. But this time, I won't let myself die. This time, I've found a love that I can't let go of. This time, I'm going to make my life my own ...The much-anticipated follow-up to Forgotten is finally here. Cat Patrick is leading a new raft of authors writing romance books for teens with real depth and emotion. Praise for Forgotten: 'I'm in love. With a book. And its name is Forgotten. I was completely blown away by it' - A Dream of Books, blogger. 'Forgotten is a mind-bending experience that I devoured in one sitting. Cat Patrick's exciting and impressive debut still haunts me' - author Jay Asher
