Rock Chick Reckoning (Volume 6) By Kristen Ashley

Stella Gunn is the lead singer and lead guitarist of the Blue Moon Gypsies, and Stella used to be Mace's girl. But Kai "Mace" Mason broke up with her and the loss of him rocked her world. One night, Stella gets a call, late (again), from one of the members of her crazy band. She has to go play clean up (again) and runs into Mace (and a shed load of police) and ends up getting shot. Mace finds he doesn't like it much that his ex-girlfriend got shot right in front of him, but it's worse. A very bad man has thrown down the gauntlet, and all the Rock Chicks are in the firing line. Stella doesn't want Mace to be the one to keep her alive, but she has no choice. Mainly because Mace isn't giving her one.

Editorial Review

About the Author

Kristen Ashley grew up in Indiana, but has lived in Colorado and the West Country of England. Thus she has been blessed to have friends and family around the globe. Her posse is loopy (to say the least), but loopy is good when you want to write. Kristen was raised in a house with a large and multi-generational family. They lived on a very small farm in a small town in the heartland and existed amongst the strains of Glenn Miller, The Everly Brothers, REO Speedwagon and Whitesnake (and the wardrobes that matched). Needless to say, growing up in a house full of music, clothes and love was a good way to grow up. And as she keeps growing up, it keeps getting better.

Users Review

From reader reviews:

Bridgett Killion:

Reading a publication tends to be new life style within this era globalization. With reading you can get a lot of information that could give you benefit in your life. Using book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story as well as their experience. Not only the storyline that share in the guides. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some exploration before they write for their book. One of them is this Rock Chick Reckoning (Volume 6).

Cheryl Burnett:

Spent a free time for you to be fun activity to perform! A lot of people spent their free time with their family, or their friends. Usually they carrying out activity like watching television, likely to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Can be reading a book can be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to test look for book, may be the e-book untitled Rock Chick Reckoning (Volume 6) can be fine book to read. May be it may be best activity to you.

Dina Hirsch:

Beside that Rock Chick Reckoning (Volume 6) in your phone, it can give you a way to get more close to the new knowledge or details. The information and the knowledge you may got here is fresh in the oven so don't be worry if you feel like an old people live in narrow village. It is good thing to have Rock Chick Reckoning (Volume 6) because this book offers to you personally readable information. Do you sometimes have book but you don't get what it's about. Oh come on, that would not happen if you have this inside your hand. The Enjoyable agreement here cannot be questionable, just like treasuring beautiful island. So do you still want to

miss this? Find this book along with read it from today!

William Bell:

Is it you who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something new? This Rock Chick Reckoning (Volume 6) can be the response, oh how comes? A book you know. You are and so out of date, spending your time by reading in this new era is common not a nerd activity. So what these publications have than the others?
