His Fantasy Girl (Things To Do Before You Die Book 1) By Nina Croft

There's nothing like a near death experience to make a guy reassess his life. And that's exactly what nightclub owner Logan McCabe decides to do, starting with looking up the girl he spent one wild night with eleven years ago, right before his life turned to crap. He spent a year fantasizing about her. Now he's ready to see how reality matches up.

Abigail Parker is a perfectionist. She's only strayed from the straight and narrow once in her life, on her eighteenth birthday. It was supposed to be one wild night with a totally unsuitable man before she settled into her sensible future. Instead it changed her life forever.

Logan might still be the sexiest man Abigail has ever seen, but a dirty-talking, tattooed, ex-con is the last thing she needs in her perfect life. He claims she's his fantasy girl, but what he doesn't know is she's also the mother of his ten-year old daughter...

Each book in the Things to do Before You Die series is a standalone, full-length story that can be enjoyed out of order.
