## **Editorial Review**

From School Library Journal

Kindergarten-Grade 3-What should have been a perfect summer for one young boy is ruined when Jeremy Ross moves in and becomes number one on the narrator's enemy list. Fortunately, his father has a secret recipe for a pie that is guaranteed to help get rid of enemies. While Dad works on mixing the ingredients and baking the pie, he explains his son's role in the plan: "-you need to spend a day with your enemy. Even worse, you have to be nice to him." It sounds tough, but the boy decides to give it a try. Predictably, between throwing water balloons at the girls, playing basketball, and hiding out in the tree house, he decides that Jeremy is not so bad after all. There's still the problem of the pie, however. When his father serves up the dessert, the young protagonist decides to warn Jeremy that it is "poisonous or something." However, it seems that both his father and his new friend are just fine, and what's more, the pie is delicious. This is a clever tale with an effective message about how to handle relationships and conflict. King's stylized and humorous illustrations, done in colored pencil and pastel, will work well with a group.
