Editorial Review

From School Library Journal

Grade 1–3—Little Rat comes from a musical family and wants to learn an instrument of her own. After hearing other kids playing melodious notes on the violin, she is determined to do the same. To play the violin well, however, requires a lot of practice. With the help of Kitty, a tutor, Little Rat begins to make beautiful music. Kids will be able to relate to Little Rat's impatience with practicing and find many moments humorous. The jewel-toned watercolor-and-gouache artwork will help keep readers engaged. A realistic and meaningful look at the satisfying results of hard work and perseverance.—*Erika Qualls, Ela Area Public Library District, Lake Zurich, IL*
