2. Follow the instructions
3. Go to your Account page and click on “Access Bonus Content”

CompTIA Network+ N10-005 Authorized Cert Guide is a best-of-breed exam study guide. Best-selling author and expert instructor Kevin Wallace shares preparation hints and test-taking tips, helping you identify areas of weakness and improve both your conceptual knowledge and hands-on skills. Material is presented in a concise manner, focusing on increasing your understanding and retention of exam topics.

The book presents you with an organized test preparation routine through the use of proven series elements and techniques. Exam topic lists make referencing easy. Chapter-ending Exam Preparation Tasks help you drill on key concepts you must know thoroughly. Review questions help you assess your knowledge, and a final preparation chapter guides you through tools and resources to help you craft your final study plan.

The companion DVD contains the powerful Pearson IT Certification Practice Test engine, complete with hundreds of exam-realistic questions. The assessment engine offers you a wealth of customization options and reporting features, laying out a complete assessment of your knowledge to help you focus your study where it is needed most. The DVD also contains more than two hours of personal video mentoring from the author.

Well-regarded for its level of detail, assessment features, and challenging review questions and exercises, this authorized study guide helps you master the

concepts and techniques that will enable you to succeed on the exam the first time.

The authorized study guide helps you master all the topics on the Network+ exam, including:

- Computer networks and the OSI model
- Network components
- Ethernet
- IP addressing
- Routing traffic
- Wide Area Networks (WANs)
- Wireless LANs
- Network performance
- Command-line utilities
- Network management
- Network security
- Troubleshooting

Kevin Wallace, CCIE No. 7945, is one of the most prolific and best-selling authors in the networking industry. He is a certified Cisco instructor, and he holds multiple certifications including CCNP, CCNP Voice, CCNP Security, and CCDP, in addition to multiple security and voice specializations. With networking experience dating back to 1989 (and computer experience dating back to 1982), Kevin is a Senior Technical Instructor for SkillSoft. Kevin has been a network design specialist for the Walt Disney World Resort and a network manager for Eastern Kentucky University.

Users Review

From reader reviews:

Sammy McManus:

Book is usually written, printed, or illustrated for everything. You can learn everything you want by a reserve. Book has a different type. To be sure that book is important thing to bring us around the world. Alongside that you can your reading skill was fluently. A publication CompTIA Network+ N10-005 Cert Guide will make you to be smarter. You can feel far more confidence if you can know about almost everything. But some of you think in which open or reading a book make you bored. It is far from make you fun. Why they might be thought like that? Have you seeking best book or suited book with you?

Kathryn Sheffield:

This CompTIA Network+ N10-005 Cert Guide book is just not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is information inside this publication incredible fresh, you will get info which is getting deeper a person read a lot of information you will get. This specific CompTIA Network+ N10-005 Cert Guide without we know teach the one who reading through it become critical in thinking and analyzing. Don't be worry CompTIA Network+ N10-005 Cert Guide can bring once you are and not make your handbag space or bookshelves' turn into full because you can have it in the lovely laptop even phone. This CompTIA Network+ N10-005 Cert Guide having very good arrangement in word along with layout, so you will not feel uninterested in reading.

William Marquis:

Beside this CompTIA Network+ N10-005 Cert Guide in your phone, it could possibly give you a way to get closer to the new knowledge or information. The information and the knowledge you might got here is fresh through the oven so don't become worry if you feel like an older people live in narrow commune. It is good thing to have CompTIA Network+ N10-005 Cert Guide because this book offers to you readable information. Do you often have book but you rarely get what it's facts concerning. Oh come on, that will not end up to happen if you have this in the hand. The Enjoyable set up here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss that? Find this book as well as read it from now!

Jackie Gonzalez:

Reading a book make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is prepared or printed or created from each source that filled update of news. Within this modern era like at this point, many ways to get information are available for you. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just seeking the CompTIA Network+ N10-005 Cert Guide when you essential it?
