**Sextrology: The Astrology of Sex and the Sexes [Paperback]** By Stella Starsky (Author) Quinn Cox (Author)

Sextrology draws insight from modern astrology to help people find their perfect sexual matches. This book takes an original, smart and sexy approach to evaluating astrological identities, and will again have people asking, 'What's your sign?'. In sophisticated, uninhibited language, Sextrology accomplishes what no existing astrology book has ever achieved: it candidly explores sexual relationships from an astrological perspective without insulting the reader with new-age mumbo jumbo or sugary advice for capturing a mate. Sextrology uncovers the naked truth of all possible cosmic couplings with candour, imaginations, and a wry sense of humour. It focuses on the 24 sex signs, pointing out the difference between men and women of each sign, their particular sexual psychology and behaviour, secret desires, and even physical attributes. Both straight and gay sex are explored for each sex sign, while desires, turn-offs, fantasies, and foibles are investigated in titillating detail. No stone is left unturned in this provocative, highly entertaining look at the sexes and sexual relationships.
