**Revenge of the Girl With the Great Personality** By Elizabeth Eulberg

Don't mess with a girl with a Great Personality.

Everybody loves Lexi. She's popular, smart, funny...but she's never been one of those girls, the pretty ones who get all the attention from guys. And on top of that, her seven-year-old sister, Mackenzie, is a terror in a tiara, and part of a pageant scene where she gets praised for her beauty (with the help of fake hair and tons of makeup).

Lexi's sick of it. She's sick of being the girl who hears about kisses instead of getting them. She's sick of being ignored by her longtime crush, Logan. She's sick of being taken for granted by her pageant-obsessed mom. And she's sick of having all her family's money wasted on a phony pursuit of perfection.

The time has come for Lexi to step out from the sidelines. Girls without great personalities aren't going to know what hit them. Because Lexi's going to play the beauty game - and she's in it to win it.

## **Editorial Review**

From School Library Journal

Gr 7 Up-Lexi keeps a low profile while her seven-year-old sister, Mac, is a pageant queen. But one day, on a dare, she swaps her baggy jeans for skinny ones, curls her hair, and throws on a little makeup. Witty narration and fun dialogue are combined with intelligent thoughts about appearance and self-worth.α(c)

Texan high-school junior Lexi is bright, capable, and funny. She is popular, but not beautiful like her seven-year-old sister Mackenzie, whose beauty pageant activities dictate the lives of Lexi and their single mother, who is obsessed with Mac's success. Lexi nurses an unrequited crush on classmate Logan and a desire to free Mackenzie from the pressure of the pageant circuit. When Lexi decides to "glam herself up," she discovers firsthand that the world does indeed favor the beautiful. She also learns what's important to her, and it's not the shiny exterior that wins her male and maternal attention. Lexi's outrageous rebellion at a pageant will have readers both gasping and cheering. Although didactic, it's a fun read and marvelous revenge fantasy sure to engage most young women. Eulberg has an ear for teen dialogue and creates multidimensional characters that both embrace and defy stereotypes. Parents are flawed but human, and the only true villains are pageant administrators. Lexi's romances resolve in the most positive ways possible, with kindness and self-respect. It may be a little too good to be true—but it sure is satisfying. Grades 7-11. --Debbie Carton
