**The Complete Short Stories of Marcel Proust** From Brand: Cooper Square Press

One of the great literary figures of the modern age, French novelist Marcel Proust (1871-1922) probes the precarious mental and erotic nuances of love, the frail mysteries of time passing and time past in highly original, surprising tales. Includes a new translation of the complete text of *Pleasures and Days*, Proust's only short-story collection, and six tales previously uncollected and never before available in English.

### Editorial Review

From [Booklist](#)

Proust is developing into one of the most influential writers of the twentieth century. This new collection contains his first literary endeavor, "Pleasures and Days," translated into English for the first time in 50 years, along with six additional stories, never before seen in English. Critiquing Proust's early stories is like appraising Picasso's four-year-old napkin drawings. There are subtle hints of brilliance, but these callow stories pale in comparison to his enigmatic opus, *Remembrance of Things Past*. Both works share the glitzy backdrop of Parisian high society and tiptoe through the same topics: addressing vanity, investigating the validity of sexual mores, and pondering the impact of sickness on life. Separated by 17 years, these juvenile tales set the thematic and stylistic table for the unique feast of Proust's mature work. Delicately translated by Neugroschel, the prolific three-time PEN Award winner, these early musings are priceless, insightful venturing into the mind of a maturing virtuoso. This book is a must for inclusive fiction collections. *Jeff Snowbarger*
