**Why Suffering?: Finding Meaning and Comfort When Life Doesn't Make Sense** By Ravi Zacharias, Vince Vitale

**Why would a loving and powerful God allow so much pain and suffering? In WHY SUFFERING? Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer.** Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. In comparison with other world religions, the Christian response is highly distinctive.

Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. **WHY SUFFERING?** provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.

### Editorial Review

#### Review

"Both for Christians and skeptics alike, this volume is as accessible and helpful a treatment of the problem of suffering that you can find. Anyone interested in apologetics in general-and the argument against God from evil in particular-should own and read it." *Tim Keller, Redeemer Presbyterian Church, New York City*

"We are all different, and we all suffer differently, so no one-size-fits-all answer will ever satisfy. But here, two of Christendom's ablest Christian voices present their best responses and give incisive critiques of the major options. Their conversation is an open invitation to help us all reach an 'examined life' for ourselves." *Os Guinness, author of Unspeakable: Facing Up to the Challenge of Evil*

"Suffering and evil are persistent and universal problems, but no one has tackled these issues with more penetrating insights, engaging stories, and practical answers than Ravi Zacharias and Vince Vitale. WHY SUFFERING is both academically satisfying and spiritually enriching. Every reader will come away, as I have, with fresh stimulation, new enlightenment, and personal satisfaction." *Norman L. Geisler, Ph.D., author or co-author of over 90 books including If God, Why Evil? and Professor of Apologetics at VeritasSeminary.com*

"In *Why Suffering*, two of the world's leading Christian Apologists address the world's hardest question. Avoiding the glib or the abstract, they offer us a highly readable, intellectually robust, biblically framed, and truly compelling answer, filled with hope in the God who enters our suffering to end our suffering." *Simon Ponsonby, Pastor of Theology St. Aldates Oxford, author of God is For Us, More, and And the Lamb Wins*
