## Medical Problems in Dentistry By Crispian Scully

This text offers an authoritative account of general medical and surgical conditions as they apply to the practice of dentistry and oral healthcare. Now established as the standard reference on the subject, *Medical Problems in Dentistry* is essential for students learning for the first time or practitioners needing to keep up-to-date with their knowledge.

- Detailed coverage outlines the complete relevance of systemic diseases and their treatment to dentistry – essential knowledge for the whole dental team
- User-friendly format allows ease of access to information whether for exam revision purposes or for a specific issue confronting staff in a busy clinical environment
- Clearly written with excellent use of illustrations, the book is an essential, easy to use, reliable source of information
- Text completely updated and re-organised to increase focus on the more dentally-relevant aspects of medicine and subject areas that have undergone recent change
- Entries more fully alphabetized to improve access to information
- Accompanying ‘key points boxes’ highlight the most crucial aspects of specific medical conditions
- Content peer-reviewed by a specialist Advisory Board to ensure accuracy of information and the inclusion of the latest advances
- Additional coverage of autoinflammatory disorders, biological response modifiers, craniofacial transplantation, drug reactions, drug-resistant microbial infections, osteonecrosis, and immune reconstitution syndrome
- Completely new entries such as alternative and complementary medicine, health promotion, men’s issues and occupational health
- New national and international guidelines, selected recent references and up-to-date websites

## **Editorial Review**

### **Review**

"Do I need this book, or one of similar quality? There is no doubt; it is an item that I would want available in any multiple-surgery practice I worked in, for all of the staff, for reference, and for quickly resolving differences of opinion. However, I would encourage home reading, too; you will be surprised what updates you need and what grabs your attention."

### **Primary Dental Care, April 2011**

#### **About the Author**

Crispian Scully is a Director of the World Health Organization Collaborating Centre for Oral Health-General Health; and is emeritus Professor at UCL. He is Co-Editor of Oral Diseases, Medicina Oral, and Associate Editor of the Journal of Investigative and Clinical Dentistry.

Crispian Scully is Past-President of the International Academy of Oral Oncology, European Association of Oral Medicine, British Society for Oral Medicine and British Society of Disability and Oral Health, he has served as Dean in Bristol and UCL; on the General Dental Council; on the Councils of the Royal colleges in Glasgow and Edinburgh; and on committees of NICE and CRUK, He has written and edited over 45 books, written over 150 book chapters and has over 1000 papers cited on MEDLINE.
