Suffrage and Beyond: International Feminist Perspectives From New York University Press

 Get Print Book

The 1980s and 1990s have seen an unprecedented emphasis on global feminism, on the connectedness of women regardless of race, class, or geography. And yet, the status and position of women throughout the world remains enormously disparate. Even so fundamental an issue as a woman's right to vote has been--and in many countries continues to be--hotly contested. How then have suffrage movements evolved? What are the similarities and differences in the manner in which women, in a range of different economic, religious, and political contexts, have sought the vote?

Bringing together such eminent scholars as Nancy Cott, Ellen Dubois, and Carole Pateman, *Suffrage and Beyond* offers a comprehensive look at the political history of suffrage on a global scale.

Editorial Review

From Library Journal

The editors of this volume, scholars from Australia and New Zealand, provide a fascinating international perspective on woman suffrage. The issues discussed range from "suffrage with a French twist" to gender politics in Japan.

Copyright 1995 Reed Business Information, Inc.

Review

"Saunders has pulled together a rich variety of reflections on conflict and its aftermath."-"London Review of Books",

"War Prose is largely about shock, and contrast: about fear and the contradictory, near-insane lack of fear, because of distraction, busyness; the contrast, also, of a soldier's life (and death) and the lives of upper-class civilians."-"Times Literary Supplement",

From the Back Cover

The 1980s and 1990s have seen an unprecedented emphasis on global feminism, on the connectedness of women regardless of race, class, or geography. And yet, the status and position of women throughout the world remain enormously disparate. Even so fundamental an issue as a woman's right to vote has been--and in many countries continues to be--hotly contested.

Users Review
