Stepbrother's Rules (Forbidden Firsts Book 2) By Mila Loveline

Wrong did not even begin to describe what I'd done with my stepbrother the night before. The scary part was, we wanted to do it again. But doing it again was only part of Adrian's game—there was still more of me to conquer, and Adrian wanted *all* my firsts.

Adrian and I had trouble staying apart—even when my parents were in the same room. But some things can't be hidden under a blanket for long. When Adrian couldn't help himself anymore, he paid me a late-night visit I'd never forget.

Stepbrother's Rules #2 is a forbidden short story that can be read as a standalone, but it's recommended that you start with Stepbrother's Rules #1. Intended for readers 18 & over. 8,100 words.
