Granuaile: Grace O'Malley - Ireland's Pirate Queen By Anne Chambers

There came to me also a most famous feminine sea called Granny Imallye with three galleys and two hundred fighting men... This was a notorious woman in all the coasts of Ireland -Sir Henry Sidney, Lord Deputy of Ireland, 1576. Fearless leader by land and by sea, political pragmatist and tactician, rebel, pirate and matriarch, the ""most notorious woman in all the coasts of Ireland"" Grace O'Malley challenges and manipulates the turbulent politics of the 16th century a period of immense social change and political upheaval. Breaching boundaries of gender imbalance and bias, she re-wrote the rules to become one of the world's documented feminist trail-blazers. In this, the original international bestselling biography of this historic icon, from rare and exclusive contemporary manuscript material, author Anne Chambers draws Ireland's great pirate queen in from the vagueness of myth and legend and presents the historical reality of one of the world's most extraordinary female leaders. First published in 1979 Granuaile has become an inspiration for documentary and film makers, composers, artists and writers from a range of creative disciplines worldwide. In this 30th anniversary edition, as well as some textual additions, the inclusion of new transcriptions of contemporary 16th-century manuscript material, located and deciphered by the author, will be of special interest to students, teachers and historians as well as to the general reader.
