### Marrow By Tarryn Fisher

In the Bone there is a house. In the house there is a girl. In the girl there is a darkness. Margo is not like other girls. She lives in a derelict neighborhood called the Bone, in a cursed house, with her cursed mother, who hasn't spoken to her in over two years. She lives her days feeling invisible. It's not until she develops a friendship with her wheelchair-bound neighbor, Judah Grant, that things begin to change. When neighborhood girl, seven-year-old Neveah Anthony, goes missing, Judah sets out to help Margo uncover what happened to her. What Margo finds changes her, and with a new perspective on life, she's determined to find evil and punish it—targeting rapists and child molesters, one by one. But hunting evil is dangerous, and Margo risks losing everything, including her own soul.

### Editorial Review

#### About the Author

Tarryn Fisher is the New York Times and USA Today Bestselling Author of five novels, and is currently working on two more (Marrow and the second installment of Never Never). She is the co-founder of Clothed Caption, a fashion blog she runs with her friend, Madison Seidler. Tarryn resides in the Seattle area with her family. She loves rainy days, Coke, and thinks Instagram is the new Facebook. Tarryn is represented by Amy Tannenbaum of the Jane Rotrosen Agency.

### Users Review

#### From reader reviews:

##### Maria Vanness:

What do you ponder on book? It is just for students since they're still students or the item for all people in the world, what best subject for that? Just you can be answered for that problem above. Every person has different personality and hobby for each and every other. Don't to be pushed someone or something that they don't need do that. You must know how great and important the book Marrow. All type of book can you see on many methods. You can look for the internet resources or other social media.

##### Dana Gallo:

Information is provisions for folks to get better life, information presently can get by anyone at everywhere. The information can be a know-how or any news even a problem. What people must be consider any time those information which is inside the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one often the resource are convinced. If you obtain the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Marrow as your daily resource information.

##### Elizabeth Hager:

In this era globalization it is important to someone to acquire information. The information will make a professional understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of references to get information example: internet, newspaper, book, and soon. You will observe that now, a lot of publisher in which print many kinds of book. Typically the book that recommended to you is Marrow this reserve consist a lot of the information on the condition of this world now. This book was represented how can the world has grown up. The words styles that writer make usage of to explain it is easy to understand. The actual writer made some exploration when he makes this book. That's why this book acceptable all of you.

**Ida Johnson:**

That reserve can make you to feel relax. This specific book Marrow was colorful and of course has pictures on the website. As we know that book Marrow has many kinds or style. Start from kids until youngsters. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. Therefore , not at all of book are usually make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading which.
