## **Editorial Review**

### Review

“Oncoplastic and Reconstructive Breast Surgery is a nice addition to existing reference guides for breast reconstructive surgery. ... This is an extremely helpful textbook for any surgeon who is studying and/or performing reconstructive breast surgery. The detail and illustrations in each chapter are reader friendly and ensures this book can be used as a reference for any type of reconstructive surgery. ... I recommend this book highly to the readership.” (Allen Gabriel, *Aesthetic Surgery Journal*, Vol. 35 (8), November, 2015)

“This book brings together world experts in the fields of oncologic breast surgery and plastic surgery to address the combination of oncoplastic and reconstructive breast surgery. Photographs, illustrations, algorithms, and technique descriptions are used to define complete surgical breast care. ... This serves as a nice guidebook for clinicians at various training levels, but is most suitable for residents, fellows, and general breast surgical oncologists. ... It thoroughly describes the workup, evaluation, and overall treatment planning for patients with breast cancer.” (Jerrod N. Keith, *Doody’s Book Reviews*, August, 2013)
