**A Primer for Advanced Beginners of Chinese, Simplified Characters: Vol. 2 (Asian Studies Series) (Volume 2)** By Duanduan Li, Irene Liu, Lening Liu, Hailong Wang, Zhirong Wang, Yanping Xie

As the teaching of Chinese increasingly uses simplified characters, this new version of the popular A Primer for Advanced Beginners of Chinese fills an important gap in Chinese-language instruction. The two-volume primer is addressed to meet the needs of the rapidly growing number of Chinese language students who were raised in the United States in Chinese-speaking homes and speak the language but cannot read or write it. This text develops lessons around readings on Chinese history, culture, geography, literature, folktales and mythology, customs, and cuisine.
