From the Back Cover

In order to grow strong, a tree needs to burrow deep into the life-giving earth. When a tree takes root, burrowing deep into the soil, it's not long before the action is mirrored above ground. New branches shoot out. Green, healthy leaves appear. Even the trunk grows sturdier, more storm-resistant. Because of the roots, the tree becomes firm and fruitful. And so it is with you. The deeper you root your life in Christ, the stronger you'll become. This first book in the new 2:7 SERIES is designed to help you build a strong foundation for your Christian life through enriching Bible study, Scripture memory, and group interaction. With its biblical and practical approach to discipleship, this workbook will yield long-term, life-changing results, such as: •A closer relationship with God •A keener sense of priorities •Renewed concern for nonChristian friends •A growing camaraderie within your study group
