Editorial Review

From the Back Cover

Let a photographer show you how to use your amazing Nikon D7100

Your camera manual may provide a good overview of the Nikon D7100, but it was not written by a photographer. This full-color guide helps you understand each feature from the photographer's point of view. Along with explaining the settings, it shows you how to use them in specific situations. It's also packed with tips learned from actual field experience with the D7100. Take it along as you and your D7100 explore the world.

- Set up your D7100, learn to use exposure, metering, focus, and release modes, and work with picture controls
- Understand how to use each of 19 specific scene modes
- Explore different lenses and lens accessories, learn to manage exposure, and experiment with lighting
- Work with Live View, video, in-camera editing, and image management

About the Author
