A Lamp Unto My Feet By Walter C. Lanyon

There is much spiritual depth in this book that you will need to see for yourself because “It is wonderful!” Many outstanding statements of this writer have come through from the Voice and with Power. His message weaves together Bible verses with outstanding examples that leave an unforgettable impression and help the reader “believe the unbelievable [and] Launch out into deeper waters.” The author helps readers realize they can set aside their human reasoning and experience new freedom to go beyond beliefs and conditioning. In many ways one epiphany follows another with an enormous inner surge of inspiration — as the apparent prison doors of mortality are opened. The final sense of this as a real possibility comes as the earth ties to beliefs and conditioning are falling away and a New Path is being revealed guiding the reader to assume the God-nature. “When man makes this assumption, when he recognizes that all life is God, he will assume the qualities of God naturally and find them out-pictured in his life. He will not then try to demonstrate the various attributes of this invisible Power but, by assumption, will be able to call them forth into manifestation at his will.” This book may awaken us from a deep sleep to discover the Kingdom of God that has been waiting for our recognition of what IS. “And as we have borne the image of the earthy, we shall also bear the image of the heavenly.”

Editorial Review

About the Author

Walter Lanyon was highly respected as a spiritual teacher of Truth. He traveled and lectured to capacity crowds all over the world, basing his lectures, as he said, “solely on the revelation of Jesus Christ.” At one point, he underwent a profound spiritual awakening, in which he felt “plain dumb with the wonder of the revelation.” This enlightening experience “was enough to change everything in my life and open the doors of the heaven that Jesus spoke of as here and now. I know what it was. I lost my personality; it fell off of me like an old rag. It just wasn’t the same anymore.” His prolific writings continue to be sought out for their timeless message, put forth in a simple, direct manner, and they have much to offer serious spiritual seekers. Walter Clemow Lanyon was born in the U.S. on October 27, 1887, and he passed away in California on July 4, 1967.
