## Warcraft: Durotan: The Official Movie Prequel By Christie Golden

In the world of Draenor, the strong and fiercely independent Frostwolf Clan are faced with increasingly harsh winters and thinning herds. When Gul'dan, a mysterious outsider, arrives in Frostfire Ridge offering word of new hunting lands, Durotan, the Clan's chieftain, must make an impossible decision: abandon the territory, pride and traditions of his people, or lead them into the unknown.

An original tale of survival, conflict and magic that leads directly into the events of *Warcraft*, an epic adventure from Legendary Pictures and Universal Pictures, based on Blizzard Entertainment's global phenomenon.
