**Now and Forever** By Susane Colasanti

**What if your boyfriend was the world's biggest rockstar?**

Sterling is crazy in love with Ethan. Not only is he the sweetest boy she's ever met, but he's an incredibly talented guitarist, singer, and songwriter. And since forever, he's believed he has what it takes to be a star.

When Ethan becomes an overnight sensation, he's thrown head-first into the glam world of celebrity—and so is Sterling. Before she knows it, she's attending red-carpet premieres, getting free designer clothes, and flying around the country to attend Ethan's monumental sold-out concerts.

It's a dream come true...but whose dream is Sterling living? And what do you do when "forever" comes to an end?

## Editorial Review

From School Library Journal

Gr 7–10—When Sterling's boyfriend Ethan makes it big with the release of his first album, he becomes an overnight teen heartthrob with a viral online presence. Sterling, too, is pulled into the whirlwind as she follows him on tour and is featured in top celebrity magazines. She is even gifted with designer swag to dress the part. While the limelight is initially appealing, the teen eventually realizes the cost of living off her boyfriend's fame and in his shadow—she is ignoring her own interests and aspirations. Although the writing is not overly sophisticated or original (Ethan is regularly described as "hot" and the protagonist's reaction to him as "melting"), new romance readers will find a safe initiation here. There is a subtle mention of a shared bed, but even the kisses quietly fade to black. For fans of the author, Elizabeth Eulberg, and Sarah Dessen.—Leah Krippner, Harlem High School, Machesney Park, IL

When Ethan Cross bursts into the big-time music world, nothing in his and Sterling's lives can stay the same. This is Sterling's story—how does she go from ordinary high-schooler to girlfriend of a rock star? Thrilled for Ethan and excited to accompany him for some tours and concerts, she also walks a fine line between giddiness and self-doubt that she is attractive and confident enough to be Ethan's girl. Chapter openers help reflect the growing tension, each showing progressively higher numbers of Ethan's online followers, up to 22 million. The media and obsessed fangirls stalk the couple, and at one point Ethan is surrounded by ten trembling girls who look like they're about to faint, throw up, or burst out crying. Can true love survive? Veteran readers will predict Sterling's awakening of her own goals and identity, but Colasanti paces that realization skillfully. Amid the name-dropping of fashion brands and the totally- and awesome-speckled dialogue, the strong characters, as well as thoughtful insights on relationships, come together. Grades 8-11. - Anne OMalley
