**The Study of Orchestration (Fourth Edition)** By Samuel Adler

**The book that set the standard for orchestration texts.**

Written by a renowned composer whose works have been performed by major orchestras around the world, *The Study of Orchestration* is the only text that explores the characteristics of orchestral instruments and shows students how a master composer approaches orchestration. The Fourth Edition invites students to experience the instruments through online audio and video recordings and now offers more coverage of writing for band.
