Ohio Government and Politics By Paul Sracic, William Binning

Ohio Government and Politics provides a thorough, highly readable overview of the history, processes, and institutions of the state's government and politics. In a country increasingly divided into blue and red states, Ohio is "purple" - one of the few states that is not dominated by a single political party. Covering the crucial strategies of both the republicans and democrats as they vie for power in Ohio, this new title demonstrates the "nationalizing" of Ohio politics. However, contemporary issues specific to Ohio politics are not neglected; coverage of important issues such as charter reform in Cuyahoga County and the controversies over the regulation of "fracking" is included.

Editorial Review

Review

"Ohio Government and Politics provides an excellent and succinct overview of Ohio politics. This text fills the gap in texts I've been looking for: an explanation of, specifically, Ohio politics and their history, without overwhelming the reader with additional information." -- Robert Leonard "I think this book fills a hole in the textbook world. I was always surprised at the lack of texts dedicated to the politics of a state that plays such a heavy role in national elections. This text seems to fit the bill and fill the gap in availability. It provides a brief, yet comprehensive, look at politics in the Buckeye state." -- Nicole Kalaf-Hughes "Sracic and Binning offer a well-designed and overdue comprehensive text in Ohio Politics. I find the availability of this text refreshing and exciting. Ohio is an excellent state for a case study comparison to broad national-level conceptions. I would argue that this text would not only be important to those teaching Ohio-specific courses but also state and local and contemporary government courses in many states." -- Nichole Fifer

About the Author

Paul Sracic holds a Ph.D in Political Science from Rutgers University, and currently chairs the Department of Politics and International Relations at Youngstown State University. He is the author of *San Antonio v. Rodriguez and the Pursuit of Equal Education* (Kansas, 2006) and co-author of the *Encyclopedia of American Parties, Campaigns, and Elections* (Greenwood, 1998). Dr. Sracic's articles on American and Ohio politics have appeared in the *Washington Post*, *USA Today*, and *The Diplomat* and on *Bloomberg View*, *CNN.com*, and *The Atlantic.com*. Dr. Sracic is a former Fulbright Scholar in Japan, where he taught American Politics at the University of Tokyo and Sophia University. William Binning, Ph.D., has long been active in Ohio politics and government. Currently Emeritus Professor of Political Science at Youngstown State University in Ohio, he has held both state and local positions in government and in a political party. In addition to co-authoring the *Encyclopedia of American Parties, Politics and Elections* (Greenwood), he has written numerous articles on state and local parties and elections in Ohio. Most of these appear in *The State of the Parties* (Rowman and Littlefield), a biennial series edited principally by John Green. He has also written on U.S. Senate and House Elections in Pennsylvania and Ohio in *The Roads to Congress* (Lexington Books), a biennial series edited by Robert Watson, and published on minor parties with John Green in two editions of *Multiparty Politics in America* (Rowman and Littlefield), edited by Paul Herrnson and John Green. He was the sole author of a chapter on Third Parties in *The 2008 Presidential Election* (Palgrave MacMillan) edited by Erik Jones and Salvatore Vassallo. He occasionally writes on Ohio politics for the *Ripon Forum*.

Users Review
