The Tycoon's Captured Heart (The Boarding School Series) (Volume 5) By Elizabeth Lennox

For years, Grayson had watched Scarlett grow up. At first, there had just been a connection, something that drew the two of them together. But as the small girl grew into a beautiful woman, he knew that over the years, he'd fallen in love with her.

And then she'd asked him to teach her how to attract a man! If any of his competitors knew what a soft spot he had for this woman, he'd have to destroy them. But there it was. He could crush his competition without breaking a sweat, but he couldn't deny Scarlett when she asked him for help.

Scarlett had loved Grayson since she was a young teenager, and the feeling had only grown stronger as the years had passed. But every time she'd decided that she was going to tell him about her feelings, the man had yet another paramour on his arm. She hated him and loved him...and had no idea how to break out of this painful cycle. How could she convince him that she could love him better than all of those silly women? Or failing that, how could she move on with her life?

Editorial Review

About the Author

USA Today™ best-selling author Elizabeth Lennox writes contemporary romance novels featuring sheiks, business tycoons, royalty, and other sexy rich men. Her male lead characters are smart, driven and determined, but can still be sensitive and vulnerable. Elizabeth's female lead characters come from a variety of backgrounds. They are strong, intelligent and independent, while still feminine and caring. Although she wanted to be a romance novelist since the eighth grade, that dream only became a (paid) reality for her in 2009 and a full time job in 2012. Along the way, she received a BS in History and held different jobs in the real estate, government consulting, and financial industries. All during that time, though, she was always writing, using her personal experiences, dreams, and travels throughout the United States, Europe and the Caribbean as backdrops for her stories. To date, she has written over eighty books and sold over 1.7 million copies. Her free novellas have been downloaded over 2.9 million times since 2013. Elizabeth lives in Virginia with her husband and two children. Their home is just outside of Washington, D.C., and many of her novels are set in this area.
