My Story By Ron Kray

Following on from "Our Story", Ron Kray fills in the gaps and gives his version of the murders of Jack "The Hat" McVitie and George Cornell, describing his bisexuality and his marriage in Broadmoor and clarifying many of the misconceptions about the years when he and Reg ruled the London underworld, shot enemies at will and simultaneously socialized with some of the most glittering politicians, celebrities and hostesses of the time. He also tells of his life in Broadmoor - not a prison, he stresses, but a hospital. The daily routines, the drugs he must take to keep his equilibrium, his marriage there, his telephathic union with Reg in Lewes Jail and his hopes for the future.
