## **Editorial Review**

### Review

“If this book doesn’t turn you on, then I don't know what will. The photos were certainly erotic and gave me some great fantasy material for lovemaking.”

*Review by Mart Sablesen on Amazon.com June 15, 2005*

“What I like the most is that the pictures are from real people, and not from models that make you feel like a monster.” *German - Amazon.com*

### From the Author

Tantra and Kama Sutra Sex Positions is one of three eBooks in a series on Kama Sutra. The other two are Kama Sutra Super Sex, and Kama Sutra Sex Positions with Liberator Shapes. Each of these eBooks is illustrated with full color photos with different couples.

Tantra and Kama Sutra Sex Positions is a modern interpretation of the classic Kama Sutra, originally published in India over 1,600 years ago. The original text in the Kama Sutra is extremely limited, and therefore difficult for modern readers to learn from.

When the Kama Sutra was first published, the text was commonly taught and expanded upon by a real teacher. The teacher would add clarifying explanations, examples, and sometimes demonstrations, in order to help students learn more easily.

We take the role of such a teacher in presenting the information in our eBook. We have taken the liberty to rename many of the positions and techniques, as well as expand upon the instruction, and of course have added full color photos for all of the techniques and sex positions discussed.

### From the Inside Flap

We have included 100 erotic color photographs and illustrations, each of which is featured in large format on a single page for your viewing pleasure. Through these lovely photos we have endeavored to capture the emotional and energetic connection of Tantric sacred lovemaking rather than simply illustrate sexual positions and technique.

These are real people in real bodies. Probably they have bodies that look a lot like yours. The lovers in these photos are experiencing and expressing something beautiful. This book's message is that you can have what they are showing you.

We suggest that the first thing you do is scroll through the photos without reading the accompanying text. Get the message of the book visually first and then go back for a second look, this time reading the explanatory text with the photos.

In this modern interpretation (not translation) of the classic love texts from India and Arabia we have omitted the redundant descriptions of each position that are commonly found in illustrated books of sex. Instead we comment on how and why the position is used, and we include useful information about sacred lovemaking practices.

If you have ever browsed through a book illustrating sexual positions you will recall that some of the positions shown seem to be anatomically impossible. This is because a drawing can show people doing easily what no ordinary human being could ever actually do. When selecting sexual positions to try, don't bother unless you see the position illustrated with a photograph. All of our sexual positions are illustrated with photographs.

There are some sexual positions, even though 'doable', require the lovers to be exceedingly acrobatic, physically flexible, and very strong. These positions appeal to practitioners of "extreme" Tantra Sexual Yoga. Almost every endeavor that requires a discipline of body and mind has an extreme variation. Practitioners of Extreme Tantra Sexual Yoga utilize lovemaking positions as they would other Hatha Yoga postures, as an advanced, disciplined physical meditation technique, rather than as an ecstatic sacred lovemaking practice.

We have eliminated these extreme postures from this manual. Most of the positions illustrated here are suitable for lovers of all ages, and with some selectivity, in various stages of physical fitness and health. In other words, you don't have to be an athlete, young, or perfectly fit and healthy to use this manual.

Since our definition of sex goes far beyond sexual intercourse, including all the delicious foreplay and the deep emotional connection of afterplay, we have included sections with commentary on those topics. Also included are illustrated sections on oral sex (cunnilingus and fellatio), BDSM (bondage/discipline/sadism/masochism) play, loving body discovery, massage, creating a sacred space and sacred bathing.

In addition we have added hot links to a number of published printed versions of the classic texts so if you wish to read and learn more you can locate those books easily.

This eBook is revised and updated continuously with new contents and refreshed hot links. If you are the first person to send an email alerting us to a link that is not working, we will send you a FREE replacement version electronically by email as soon as it is ready.
