The Last Full Measure (Divided We Fall, Book 3) By Trent Reedy

In a YA trilogy like no other, Trent Reedy has raised the most primal questions of our national existence: Do we owe our greatest loyalty to our friends? Our state? Our country? Our party? How do we reconcile our individual rights and common needs? What keeps us all united -- and what happens if we fall apart? Now, in this third book, the Second Civil War has come to an end in Idaho. The Feds have taken the fight to other fronts, and Danny and his friends are free of US dominance. But that freedom comes with considerable costs, from Danny's disturbing flashbacks to the war, to the Brotherhood of the White Eagle, whose "security" for Freedom Lake looks more like outright thuggery. After Danny makes a shocking discovery about the Brotherhood's final aims, he and his friends lead a group of townspeople on a dangerous journey across a ravaged Idaho, hoping to build a better society of their own, and fulfill the dreams they had in what once was the United States.

Praise for *Divided We Fall*

* "[A] stunning trilogy opener... This cautionary tale screams immediacy and urgency, a page-turner that rapidly moves toward a catastrophic cliffhanger." -- *Publishers Weekly*, starred review
"Set in a not-too-distant future, the book mixes patriotism with incredible realism, creating an all-too-possible pre-dystopia... Strong characters, a fast-paced narrative, and complex questions about what it means to be an American make Reedy's speculative novel a must-read." -- *School Library Journal*

"*Divided We Fall* delivers cover-to-cover action, intrigue and suspense, all with a gut-punch of an ending that'll leave you begging for the next installment." -- Brad Thor, author of *The Last Patriot*
"Tense, heart-wrenching, and all too believable -- I can't wait to read more!" -- Tamora Pierce, *New York Times* bestselling author of *Battle Magic* and *Terrier*

Praise for *Burning Nation*

* "As in *Divided We Fall*, Reedy spins an action-packed cautionary tale, allowing both state and federal viewpoints their strengths and weaknesses, stopping just short of condemning both sides while acknowledging the validity of their arguments. It's a complex story rooted in current events, all the more worrisome for its plausibility." -- *Publishers Weekly*, starred review
"An action-packed thriller that may well lead readers to further explore the complicated constitutional and political issues it raises." -- *Kirkus Reviews*
