Get Print Book

Grow closer to God through six weeks of prayer focused on a specific spiritual topic.

Since their original release in the late 1980s, the *Take and Receive* prayer-book series has sold more than 150,000 copies, and its five themed books are hailed as classics in the Ignatian prayer tradition. The first two books in the series are being repackaged and reprinted by Loyola Press.

Love: A Guide for Prayer and *Forgiveness: A Guide for Prayer* provide topic-based opportunities for people to grow deeper in their relationship with God through prayer. The theme of each volume directly correlates with a segment of the Spiritual Exercises, though no previous experience with the Exercises is needed to benefit from these books.

Covering 36 days over a six-week period, each day offers scriptural passages with commentary, followed by a suggested approach to prayer for that day. Especially helpful is a section at the beginning of the book that explains the different types of solitary prayer that readers will be asked to engage in throughout the six weeks, such as meditation, contemplation, and centering prayer.

Ideal for all who desire a closer relationship with God, these books help us reimagine what it means to pray and help us see with new eyes God's presence and activity in our daily lives.

Joey Mendoza:

In this era which is the greater person or who has ability to do something more are more special than other. Do you want to become one among it? It is just simple solution to have that. What you need to do is just spending your time not much but quite enough to experience a look at some books. On the list of books in the top record in your reading list is usually Love: A Guide for Prayer (Take and Receive). This book which

is qualified as The Hungry Hillside can get you closer in growing to be a precious person. By looking right up and reviewing this book you can get many advantages.

Brandon Giles:

As a scholar, exactly feel bored to reading. If their teacher inquired them to go to the library or even make a summary for some guide, they are complained. Just minor students that have reading's internal or real their interest. They just do what the trainer wants, like asked to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Love: A Guide for Prayer (Take and Receive) can make you experience more interested to read.
