### Secrets Heart & Lung Sounds Workshop: Audio CD By Salvatore Mangione MD

At last medical students are able to listen to the heart and lung sounds that they are studying, away from a clinical setting, by listening to this audio CD. A full spectrum of heart and lung sounds has been recorded from actual patients and interspersed into a lively and informative lecture format. Dr Mangione walks the student through approximately 25 cases, asking questions about the sounds that they are hearing, explaining the answers and presenting guidelines and helpful tips on the interpretation and analysis. The sounds can be accessed either by listening to the complete programme or by selecting coverage of specific sounds.
