Get Print Book

When Dennis Milne--now living under an assumed identity in the Philippines--hears that his old friend and colleague Malik has been gunned down in a restaurant, he decides to go back to the violent city he once called home and bring the murderer to justice. Milne arrives in a pre-Christmas London that is cold and hostile. But he is no longer a policeman; no longer charged with keeping the peace and upholding the law. Although his old friends at the King's Cross station do not know that Milne is back in town, it soon becomes clear that his arrival has been expected by men who are after his blood. Hungry for revenge and determined to uphold his own very rough brand of justice, Milne searches for the person behind his friend's demise--and leaves a trail of death and destruction more wide-reaching than even he could have expected.

Editorial Review

From Publishers Weekly

Kernick (*The Crime Trade*) blurs the line between the right and wrong sides of justice in his fourth novel, a tense tale about a British cop turned vigilante-for-hire. Det. Sgt. Dennis Milne fled London for the Philippines after murdering innocent men he mistook for scumbags. Three years later, after changing his name to Mick Kane, he earns a living in Sabang Bay offing bad guys for pay; his latest target is a familiar London snitch who's wanted back in England for killing Milne's friend, Det. Asif Malik. Hungry for further vengeance, Milne risks his freedom and returns to London to track down others connected to Malik's murder. Milne re-examines the case Malik was investigating, sets up a meeting with a crime boss and gets ambushed for his troubles. From then on, Milne barely stays a step ahead of death. Though uneven at times, this action-packed page-turner will earn Kernick new followers. (*Sept.*)

Starred Review Fans of Kernick's stellar debut (*The Business of Dying*, 2003) will hail the return of pragmatic disgraced copper Dennis Milne to the series after a two-book hiatus. With a new face and a new name (Mick Kane), Milne is now incognito in the Philippines as a hotelier, dive instructor, and reluctant hit man, who kills only those who deeply deserve it, such as a homicidal pedophile on holiday, or the slippery fellow killer-for-hire who did in his old partner, Asif Malik. Returning to London to hunt down those responsible for Malik's death, Milne eases onto the brutal streets and into his old ways with all the relish of tucking into a plate of chips, a pint of bitter, and a pub brawl. Milne's arrival has been anticipated, and the tension doesn't let up for a single page as he dodges a nasty array of potential captors and killers, teaming with a comely journalist to go after very big bottom-feeders. Kernick spins a nonstop mystery thriller, leavening the grimy noir with a renegade hero every bit as likable as Spenser and as tough as Hawk. A good book for a breakthrough and a sure bet for fans of gritty Brits and hard-boiled thrills from Ken Bruen to Ian Rankin to Michael Connelly. *David Wright*

Review

"Simon Kernick may be a new kid on the block but he certainly knows how to crank up the suspense and deliver a kick in the gut when it's needed. **A Good Day To Die** is a terrific novel. Put this one at the top of your list; it will keep you up well into the night."

—Peter Robinson

"**A Good Day To Die** is everything we have come to expect from Kernick — one of the best young crime writers to have emerged in the past five years. It's a fast-paced yet deeply moral thriller with a thoughtful protagonist who never mistakes himself for a hero."

—Laura Lippman

Praise for *The Murder Exchange*:

"Pathos, pace, twists and a savage sense of place make this a guilty pleasure."

—*Guardian*

Users Review

From reader reviews:

James Connell:

Reading a reserve tends to be new life style on this era globalization. With examining you can get a lot of information that will give you benefit in your life. Having book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Many author can inspire their very own reader with their story or their experience. Not only situation that share in the publications. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some research before they write to the book. One of them is this A Good Day to Die: A Novel (Dennis Milne Series).

Karen Bell:
