Get Print Book

Established worldwide as the one definitive, encyclopedic reference on headache, **The Headaches** is now in its thoroughly revised, updated Third Edition. The foremost international authorities examine the mechanisms of over 100 types of headache and provide evidence-based treatment recommendations, including extensive tables of controlled clinical trials.

This edition presents the revised International Headache Society classification of headaches and explains how to use this new classification for accurate diagnosis. Many headache entities are discussed for the first time, such as chronic migraines; primary headache attributed to sexual activity; primary stabbing, cough, exertional, and thunderclap headaches; hypnic headaches; and new daily persistent headaches. A new section focuses on childhood headaches. Chapters that focus on headaches in elderly patients and patients with psychiatric or medical diseases are also included.

Editorial Review

Users Review

From reader reviews:

Lillian Albrecht:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each publication has different aim or even goal; it means that reserve has different type. Some people sense enjoy to spend their time for you to read a book. They may be reading whatever they acquire because their hobby will be reading a book. Why not the person who don't like studying a book? Sometime, person feel need book when they found difficult problem or exercise. Well, probably you will need this The Headaches (Olesen, Headaches).

Jennifer Wetzel:

Reading a guide can be one of a lot of action that everyone in the world really likes. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new information. When you read a guide you will get new information simply because book is one of several ways to share the information as well as their idea. Second, reading a book will make a person more imaginative. When you reading through a book especially hype book the author will bring you to imagine the story how the character types do it anything. Third, you are able to share your knowledge to some others. When you read this The Headaches (Olesen, Headaches), you could tells your family, friends and soon about yours book. Your knowledge can inspire the others, make them reading a reserve.

Francis King:

The Headaches (Olesen, Headaches) can be one of your starter books that are good idea. Most of us recommend that straight away because this book has good vocabulary that could increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The writer giving his/her effort to place every word into delight arrangement in writing The Headaches (Olesen, Headaches) yet doesn't forget the main position, giving the reader the hottest and also based confirm resource info that maybe you can be one of it. This great information may drawn you into brand-new stage of crucial pondering.

Andrew Taylor:

Reserve is one of source of understanding. We can add our information from it. Not only for students but native or citizen require book to know the revise information of year for you to year. As we know those books have many advantages. Beside many of us add our knowledge, can bring us to around the world. By book The Headaches (Olesen, Headaches) we can have more advantage. Don't someone to be creative

people? To become creative person must want to read a book. Merely choose the best book that ideal with your aim. Don't always be doubt to change your life by this book The Headaches (Olesen, Headaches). You can more desirable than now.
