The War of the Lance is long over. The seasons come and go as the pendulum of the world swings. Now it is summer, a hot parched summer such as no one on Krynn has ever known. And an uneasy balance light and dark begins to shift.

Distraught by a grievous loss, the young mage Palin Majere seeks to enter the Abyss in search of his lost uncle, the infamous archmage Raistlin.

Elsewhere, the Dark Queen has found new champions. Devoted followers, loyal to the death, the Knights of Takhisis follow the her vision to victory. And a dark paladin, Steel Brightblade, rides to attack the High Clerist's Tower, the fortress his father died defending.

And on a small Island, the mysterious Irda capture an ancient artifact and use it to ensure their own safety. Usha, the child of the Irda, arrives in Palanthis claiming that she is Raistlin's daughter.

The summer will be deadly. But for whom, only the swing of the pendulum will tell.

The war of the Lance is long over. The seasons come and go. The pendulum of the world swings. Now is a hot parched summer such as no one on Krynn had ever known before. The uneasy balance starts to shift. Distraught by a grievous loss, the young mage Palin Majere seeks to enter the Abyss in search of his lost uncle, the infamous archmage Raistlin. The Dark Queen has found new champions. Devoted followers, loyal to the death, the Knights of Takhisis follow the Vision to victory. On a small island, the mysterious Irda captures an ancient artifact and use it to ensure their own safety. Usha, child of the Irda, arrives in Pananthas claiming that she is Raistlin's daughter. The summer will be deadly. Perhaps it will be the last summer Ansalon will ever know. *Dragons Of Summer Flame* is action-packed heroic fantasy at its best! -- *Midwest Book Review*

#### About the Author

Margaret Weis began her collaboration with Tracy Hickman on the Dragonlance® series more than twenty years ago when she was an editor for TSR, Inc. Two decades later she is the author of numerous Dragonlance novels, the four-volume galactic fantasy *Star of the Guardian*, and co-author with Don Perrin of *The Doom Brigade*, *Draconian Measures*, *Knights of the Black Earth*, *Robot Blues*, and *Hung Out*. She and Perrin are also the authors of *Brothers in Arms*, the sequel to Weis' best-selling novel *The Soulforge*.

In 1983, when Tracy Hickman was driving across country to start a new job at TSR, Inc. as a game designer, he conceived of a world in which dragons would play a big part. That world became the Dragonlance campaign setting and helped launch Hickman's career as a major voice in fantasy fiction. He has also written, in collaboration with Margaret Weis, the *Darksword* series and the *Death Gate Cycle*, is the designer of the game setting *Starshield*, and is the author of *The Immortals*. In his spare time — not that he has much — he lives in Utah with his wife, two daughters, and two sons.

Weis and Hickman return to the hugely successful Dragonlance series with a war against the big guy himself, who is named Chaos but is actually the creator of everything. He's portrayed as a towering giant who can be subdued by a minor wound and a magical trick. All the usual fantasy elements are here: magic, elf-like fellows, spells, magicians, thieves, swords and sorcery. Reader Wanda McCaddon proceeds with rousing British intonations, bringing emotional effect through changes in pacing. She makes no attempt at character delineation but is expressive and surprisingly effective, mainly because she's obviously having a fine time. D.R.N. (c)AudioFile, Portland, Maine
