*"This is a great textbook that provides the foundational theories of leadership. The book achieves a critical balance of providing scholarly research and practitioner perspectives. Case studies, class activities and leadership surveys provide an integrative perspective of individual, team and organizational leadership styles and practices"* (Meera Alagaraja 2011-10-28)

What a great resource! Great book - Great case studies for the students - Easy to use. My students find this book very sharpened and readable. I describe this book as a pinch of background of what leadership is. This book is one of the rare book that presents Servant leadership in a new form for both instructors and students. (Dr. Oris Guillaume 2012-02-14)
