**Obsession with Cigar Box Guitars, An: 120 Great Hand-Built Examples** By David Sutton

There's growing movement of self-expression unfolding in the world of music. Musicians and hobbyists are finding new creative freedom by making their own musical instruments out of unconventional materials. In a modern revival of a great American tradition, sliders, pickers, strummers and makers are coming together in what they call the cigar box guitar revolution. *An Obsession for Cigar Box Guitars* celebrates the modern craft of their irresistibly alluring instruments.

Professional photographer and woodworking enthusiast David Sutton first chronicled the modern revival of the cigar box guitar in his best-selling book, *Cigar Box Guitars*. Now he's back to share his obsession with these handmade treasures in an amazing photo gallery that profiles 120 inspiring examples of homemade musical greatness. In a testament to human creativity, these guitars range from simple, cardboard diddley bow-type instruments to wooden box electric six-string models that are more impressive than anything you can buy in a store.
