## Home in Carolina (The Sweet Magnolias) By Sherryl Woods

There's no place like home, especially if it's Serenity, South Carolina. For Annie Sullivan, though, the homecoming is bittersweet. She'd always envisioned a life there with her childhood best friend, Tyler Townsend. But Ty's betrayal has cost her the family and the future they'd once planned.

For Ty, losing Annie was heartbreaking. Still, he can't imagine life without the three-year-old son whose mother left him for Ty to raise. Ty wants it all—Annie, his child and the future he'd dreamed about—and he's back home in Serenity to fight for it. But getting Annie to forgive and

forget may be the hardest challenge he's ever faced. With the stakes so high, this is one game he can't afford to lose.

## **Editorial Review**

History repeats itself in *Serenity* as Ty Townsend, now a Major League baseball pitcher, returns home to recover from a serious shoulder injury, and Annie Sullivan, who has chosen to specialize in sports-injury therapy, is cajoled by her mother, Dana Sue, and the rest of the Sweet Magnolias into taking him on as a client. But Annie is still struggling with Ty's multiple casual infidelities when they were dating, the resultant child, and its irresponsible mother's continuing position in Ty's life. It's especially disturbing, given her own family history, including her parents' divorce and her own life-threatening anorexia. Woods introduces an auxiliary contemporary romance trilogy featuring the next generation of Magnolias, Annie and her two closest friends. Woods' readers will eagerly anticipate her trademark small-town setting, loyal friendships, and honorable mentors as they meet new characters and reconnect with familiar ones in this heartwarming tale. --Lynne Welch
