*Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work.*

For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain.

Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history...

But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's *Eve of Darkness*.

### Editorial Review

From Publishers Weekly

Exhilarating adventure in an edgy world of angels and demons highlights the opener of Day's Marked trilogy. After a steamy encounter in a stairwell, Evangeline Hollis discovers that she has been branded with the Mark of Cain, unfairly punished because of a man's attraction to her. She is now a Mark: a celestial bounty hunter charged with sending rogue demons and other Infernals back to hell. Agnostic Eve feels trapped and wants to leave the firm, but that requires the aid of the most famous brothers in history: Alec Cain, God's top Mark and Eve's former lover, and Reed Abel, who assigns her bounties. Dynamic and vibrant, Eve is an impressive protagonist, and her fierce spirit and determination to make the best of her circumstances will keep readers enthralled. (May)
