Assessment of Student Achievement (10th Edition) By C. Keith Waugh, Norman E. Gronlund

Get Print Book

Balanced, concise, and practical, Waugh and Gronlund's *Assessment of Student Achievement, Tenth Edition*, presents an exceptionally strong set of strategies to help teachers assess all learners in today's schools. Written in a simple and direct manner, and using frequent examples and illustrations to clarify important points, the text is a balanced, concise, and practical guide for testing and performance assessment. The authors' approach emphasizes testing as well as performance evaluation—each used when it is most appropriate—as integral steps that improve student learning and ultimately build student success. This highly-regarded textbook, replete with thorough updates in the new tenth edition, prepares educators use assessment as a tool to help develop *all* students in their classrooms. A great portion of the textbook is devoted to preparing and using classroom tests and performance assessments, assigning grades, and interpreting standardized test scores to individual students and parents.

Editorial Review

From the Back Cover

This respected resource gives teachers the information they need to develop high-quality assessments to use in their classrooms. The author team presents a balanced, concise, and practical guide for testing and performance assessment that is rooted in effective classroom instruction and learning. Their approach gives equal emphasis to testing and performance assessment—each used when it is most appropriate—as integral steps that improve student learning and ultimately build student success. With more examples, new recommended reading, and an expanded discussion of how assessment informs instruction, this book offers the strongest strategies to assess then build the skills of all learners.

About the Author

Dr. C. Keith Waugh is an Associate Professor in the Department of Workforce Education and Development at Southern Illinois University Carbondale. Over his fifteen-year career in academia, Dr. Waugh has held numerous leadership appointments including department chair, and continues to teach both undergraduate- and graduate-level courses in student assessment, research methods, and program evaluation. Dr. Waugh is the author or co-author of over 20 books, articles, and professional papers; a frequent speaker at national conferences and other venues on the topics of assessment and evaluation; and invited regularly to conduct evaluations of post-secondary programs. In 2006, Dr. Waugh was awarded the College of Education and Human Services, Southern Illinois University Carbondale Teacher of the Year Award.

Users Review

From reader reviews:

Adela Valenti:

Try to make the book Assessment of Student Achievement (10th Edition) as your friend. It means that it can to become your friend when you sense alone and beside that of course make you smarter than ever. Yeah, it is very fortunated for yourself. The book makes you far more confidence because you can know everything by the book. So , we need to make new experience along with knowledge with this book.

Byron Angle:

Spent a free time for you to be fun activity to accomplish! A lot of people spent their leisure time with their family, or their particular friends. Usually they undertaking activity like watching television, planning to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Could possibly be reading a book might be option to fill

your no cost time/ holiday. The first thing that you'll ask may be what kinds of publication that you should read. If you want to consider look for book, may be the e-book untitled Assessment of Student Achievement (10th Edition) can be great book to read. May be it may be best activity to you.

Virginia Comer:

That e-book can make you to feel relax. This particular book Assessment of Student Achievement (10th Edition) was vibrant and of course has pictures on the website. As we know that book Assessment of Student Achievement (10th Edition) has many kinds or style. Start from kids until youngsters. For example Naruto or Private eye Conan you can read and feel that you are the character on there. Therefore , not at all of book are make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book to suit your needs and try to like reading that.

Russell Pittman:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Assessment of Student Achievement (10th Edition) can make you truly feel more interested to read.
