Beware of a kiss under the full moon. It will change your life forever.

Celeste Parker is used to hearing scary stories about werewolves—Legend's Run is famous for them. She's used to everything in the small town until Brandon Maddox moves to Legend's Run and Celeste finds herself immediately drawn to the handsome new student. But when, after an unnerving visit with a psychic, she encounters a pack of wolves and gorgeous, enigmatic Brandon, she must discover whether his transformation is more than legend or just a trick of the shadows in the moonlight.

Her best friends may never forgive her if she gives up her perfect boyfriend, Nash, for Brandon, who's from the wrong side of town. But she can't deny her attraction or the strong pull he has on her. Brandon may be Celeste's hero, or he may be the most dangerous creature she could encounter in the woods of Legend's Run.

Psychic predictions, generations-old secrets, a town divided, and the possibility of falling in love with a hot and heroic werewolf are the perfect formula for what happens . . . once in a full moon.

Editorial Review

Users Review

From reader reviews:

Candy Yazzie:

Nowadays reading books become more and more than want or need but also get a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The information you get based on what kind of publication you read, if you want attract knowledge just go with education and learning books but if you want experience happy read one together with theme for entertaining for example comic or novel. Typically the Once in a Full Moon is kind of reserve which is giving the reader unstable experience.

Eric Reynolds:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a understanding or any news even a huge concern. What people must be consider any time those information which is inside former life are challenging be find than now's taking seriously which one is suitable to believe or which one typically the resource are convinced. If you find the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Once in a Full Moon as your daily resource information.

James Hall:

Reading a book can be one of a lot of exercise that everyone in the world really likes. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new data. When you read a book you will get new information because book is one of several ways to share the information or even their idea. Second, studying a book will make a person more imaginative. When you looking at a book especially fiction book the author will bring one to imagine the story how the figures do it anything. Third, you could share your knowledge to some others. When you read this Once in a Full Moon, you are able to tells your family, friends and also soon about yours e-book. Your knowledge can inspire the others, make them reading a reserve.

Peggy Dunn:

Spent a free time for you to be fun activity to do! A lot of people spent their sparetime with their family, or all their friends. Usually they undertaking activity like watching television, planning to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your free time/ holiday? Might be reading a book might be option to fill your no cost time/ holiday. The

first thing that you ask may be what kinds of reserve that you should read. If you want to test look for book, may be the e-book untitled Once in a Full Moon can be excellent book to read. May be it could be best activity to you.
