Grammar in Context 2 By Sandra N. Elbaum

National Geographic Learning's best selling grammar series now has more of what works for students and teachers!?? Students learn more, remember more, and use language more effectively when they learn grammar in context. Grammar in Context, Fifth Edition presents grammar in interesting, informative readings and then recycles the language and context throughout every activity. The fifth edition of Grammar in Context has MORE! MORE visual support including an exciting, new four-color design to help students navigate through the program. MORE connection between grammar and writing, demonstrated through writing models and enhanced by more editing practice for relevant application of target grammar points. MORE technology support for the teacher and student: Online Lesson Planner offers time saving solutions for the busy instructor. Online Workbook features additional exercises that learners can access in the classroom, language lab, or at home. MORE contemporary and relevant readings and topics like the Hudson River plane-landing, President Obama, social networking, and more! MORE accessible and contextualized grammar charts and presentations provide added clarity.

 Illinois. She has taught ESL to both high school students and adults for over 30 years. Currently, she is a
 teacher emeritus at Truman Community College in Chicago. Judi has presented workshops in basic reading
 and writing at various professional conferences. She has also taught and trained teachers in both Spain and
 China. Judi is the author/co-author of 3 ESL text books. Sandra N. Elbaum was an ESL Instructor at Truman
 College, one of the City Colleges of Chicago, for thirty-six years. She has also taught in elementary and high
 schools, and in Mexico, Puerto Rico, the former Soviet Union, and Slovakia. Sandy is the author of the
 popular series Grammar in Context, now in its Fifth Edition. Sandy received her B.A. in Spanish and M.A. in

Teaching English as a Second Language from the University of Illinois.

Users Review

From reader reviews:

Edward Tuttle:

Book is actually written, printed, or illustrated for everything. You can understand everything you want by a reserve. Book has a different type. As it is known to us that book is important issue to bring us around the world. Beside that you can your reading skill was fluently. A publication Grammar in Context 2 will make you to possibly be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think that will open or reading some sort of book make you bored. It is far from make you fun. Why they might be thought like that? Have you trying to find best book or suited book with you?

Sarah Alexander:

Now a day folks who Living in the era just where everything reachable by talk with the internet and the resources within it can be true or not call for people to be aware of each facts they get. How individuals to be smart in getting any information nowadays? Of course the solution is reading a book. Studying a book can help men and women out of this uncertainty Information especially this Grammar in Context 2 book because book offers you rich data and knowledge. Of course the data in this book hundred pct guarantees there is no doubt in it everbody knows.

Herman Hernandez:

A lot of people always spent their very own free time to vacation or go to the outside with them family members or their friend. Were you aware? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity that is look different you can read any book. It is really fun in your case. If you enjoy the book that you read you can spent the whole day to reading a publication. The book Grammar in Context 2 it is extremely good to read. There are a lot of those who recommended this book. These were enjoying reading this book. In case you did not have enough space to develop this book you can buy the actual e-book. You can m0ore very easily to read this book from a smart phone. The price is not too expensive but this book provides high quality.

Gregory Kile:

Many people spending their time period by playing outside using friends, fun activity together with family or just watching TV all day long. You can have new activity to shell out your whole day by looking at a book. Ugh, you think reading a book can really hard because you have to take the book everywhere? It all right you can have the e-book, taking everywhere you want in your Cell phone. Like Grammar in Context 2 which is having the e-book version. So , why not try out this book? Let's view.
