## Child Training Tips: What I Wish I knew When My Children Were Young

By Reb Bradley

Child Training Tips is not just another interpretation on how to train a child-this book has no equal! In this updated edition of the original classic, every chapter consists of lists of symptoms that identify behavior problems and expose trouble spots in parenting. How can parents tell if they've given control of their home to their children?? How can a child be trained to obey quickly when spoken to calmly and only one time? What's gone wrong when chastisement doesn't work? How can appropriate punishments be determined? What are the most subtle signs of rebellion? How do parents accidentally train their children to disobey them? What can be expected of children at what ages? What exactly is sass and how can it be stopped? Pastor and family counselor and minister Reb Bradley answers these and many more questions like these in this best-selling child-rearing book.
