Playing and f*cking – that's all I know.

*Win the game, pick a girl (the after match parties are held for a reason!), screw her brains out, **RINSE AND REPEAT!***

Almost every night is similar – we win the game, there's a smoking –hot girl in my bed....

Until...

Lila....

Yup, Lila is the one whose hair I want to tangle in my hands, whose lips I want to taste, whose mouth...I want to hear it scream my name all through the night....**YES...EVERY SINGLE NIGHT...**

But Lila only has three words for Ray – **AVOID, AVOID and AVOID.** Yes, she

is arrogant and off limits...

Sleeping with a Billionaire Boss is definitely a mistake.

How about falling in love with him?

What happens when Ray decides that he cannot let her go until she gives him a baby...

AUTHOR'S NOTE: This book contains mature themes and languages and is therefore intended for 18+ audience only. It is a short, standalone story with HEA and loads of steamy romance.
