Mr. Jackson The Teacher

April Blackstone is in New Jersey to make a fresh start but what stands in between is her V-Card. Determined to get rid of it before the new semester kicks in, she gives it away to the very sporting Nick whom she's run into at the bar.

Last thing she expected is to encounter Nick as Professor Nicholas Jackson, two days later in her class. She tries hard to fight her desire to devour him again but Nick has other plans. He is keen on making her realize what she's running away from.

When April finally decides to let go of him, Fates decide to intervene and Nick ends up as her boss at the company she is interning at. Tormented between her building feelings for Nick and the fear of risking her career, April has to decide what's worth more. Could she be able to take the leap that Nick is taking? Will she meet him halfway? Will it be worth risking not just her future, but her heart as well on stake for something that's forbidden?

Mr Lance The New Teacher

I saw him a few weeks before Christmas, his name is Lance. He was my new teacher. The instant I laid eyes on him I knew my life would forever be changed. Was it just lust? I didn't know. But I knew that I would put him to the test. Teachers were used to dealing with distractions, but could he resist me?

Other kids said he had a bad reputation. I never liked to believe gossip. Besides, did a bad boy ever hurt anybody?

.. and many more!
