A Grimoire for Modern Cunning Folk: A Practical Guide to Witchcraft on the Crooked Path By Peter Paddon

A practical manual of Traditional non-Wiccan Witchcraft. While there are a lot of texts that cover advanced and academic subjects of interest to traditional Crafters, all of the introductory books tend to focus on Wicca... until now. In this Book Peter Paddon - Magister of Briar Rose and host of the popular Crooked Path podcast - covers his particular path of Witchcraft from scratch. He goes over the basics of his personal Path, along with examples of alternatives from other traditions, covering philosophy, lore and practical techniques. The Crooked Path is a way of Crafting based on experiencing the Mysteries of Ancestors and the Sacred Landscape first-hand, and Peter guides the seeker through the basics with competence and humor. Revised Edition
