Amazon.com Review

Setting: London, 1839

Sensuality: 9

Bow Street runner Nick Gentry is a complex man with a dark and tortured history, and beautiful Charlotte Howard is a woman running from her past. Neither Nick or Charlotte are wholly what they seem, for each have secrets too painful to reveal, and each has chosen to hide behind a false identity. Once they're drawn into each other's worlds, they're forced to face difficult truths and are compelled to acknowledge the passion that burns between them. For Charlotte, "the challenge of taming him, matching his powerful will with her own, was too tempting to resist." For Nick, "if he could not have her, this endless feeling of being hungry, unsatisfied, cold, would never leave him." But will their love be enough to defeat the obsessed nobleman who covets Charlotte and the thirst for danger that tempts Nick, or is their future together doomed by the pain of their past?

*New York Times* bestselling author Lisa Kleypas has another winner on her hands with this follow-up to *Lady Sophia's Lover*. Fans and new readers alike will love the fast-paced plot, compelling characters, high-octane sensuality, and the well-drawn English setting. --Lois Faye Dyer

From Publishers Weekly

Like a bottle of champagne, Kleypas's Victorian-era romance opens with gusto, but the deeper tastes of this delightful story are what make it a truly magical experience. Although former criminal and current Bow Street Runner Nick Gentry has spent three years tempting fate and hunting down many types of lawbreakers, he knows that his life is about to change when he spots wayward Lottie Howard, the runaway fiancée of an overbearing lord. Nick was hired by Lord Radnor to track Lottie down but, upon meeting her, he realizes that he wants her for himself. Faced with the prospect of returning to her much older betrothed or marrying a notorious Runner whose kisses make her heart pound, Lottie hardly hesitates to accept Nick's proposal, despite his dark past. But even as Nick woos her into his bed, his reluctance to open his heart holds her at bay. The narrative's high sensuality quotient, strong sense of place and full-bodied characters make it a worthy follow-up to Kleypas's previous book, *Lady Sophia's Lover*, and the appearance of the protagonists from that novel will please fans. With this spicy, seamless story, Kleypas reaffirms her place as one of the foremost writers in the historical romance arena.
