Hook (Fighter Romance) (Las Vegas Series #1) By Marie York

Knox “Knockout” McArthur should be on top of the world. He’s the top fighter in the country, he lives in perfect Las Vegas, and he never has a problem getting women. But, no amount of partying and women can heal the scars from his past. He could never forget Zoey.

Mila Greene is just trying to survive. Granted, her way of survival is not the most conventional, but she does what she has to to support her little sister, MacKenzie. Stripping has become a way of life for her, and she chooses to embrace it. Her worst fear, however, is that Kenz will follow in her dirty footsteps.

When these two’s worlds collide, can they heal each others’ wounds? Or are they just bound to be another scar of the past?
