**P. C. Cost and Kristin Cast - A House of Night Novels 5 Books Collection Set (Untamed, Betrayed, Marked, Tempted, Chosen)** By P. C. CAST Kristin Cast

This is a five books collection. Titles in this collection are:

Untamed,  
Betrayed,  
Marked,  
Tempted,  
Chosen

Grade 10 Up This installment picks up exactly where *Betrayed* (St. Martin's, 2007) left off. Zoey Redbird, leader of the Dark Daughters and vampyre fledgling extraordinaire, has discovered some mysterious and disturbing events occurring at her vampyre finishing school. Her ex-roommate and best friend, Stevie Rae, is "undead" and only due to Zoey's love and belief that she still possesses some humanity has Stevie Rae not become a true monster. Zoey must quickly find a way to reverse what has been done to her before it is too late. To complicate matters, Zoey is forced to keep this a secret from her friends and has been betrayed by her mentor and advisor, Neferet. Zoey knows that Neferet is behind the creation of these "undead" creatures and is not at all what she seems. For help, she turns to her rival, Aphrodite, who becomes her confidante and partner in crime. Horror strikes the House of Night when two professors end up brutally murdered. Cast takes the series up a notch with this installment, and readers will be on the edge of their seats waiting for its continuation. This book is a must for any library with a vampire following but it does contain explicit language and sexual situations

So you'd think after banishing an immortal being and a fallen High Priestess, saving Stark's life, biting Heath, getting a headache from Erik, and almost dying, Zoey Redbird would catch a break. Sadly, a break is not in the House of Night school forecast for the High Priestess in training and her gang. Juggling three guys is anything but a stress reliever, especially when one of them is a sexy Warrior who is so into protecting Zoey that he can sense her emotions. Speaking of stress, the dark force lurking in the tunnels under the Tulsa Depot is spreading, and Zoey is beginning to believe Stevie Rae could be responsible .....
