How to realize your own leadership potential

Based on the bestselling book, *Deep Change*, *The Deep Change Field Guide* takes readers through the introspective journey of personal transformation. The field guide streamlines, updates, and augments the content of the original book into an interactive self-teaching course that helps readers learn how to become powerful agents of change. Learning tools include reflection questions, film assignments, and action plans that help readers think about the concepts in terms of their own situations, and identify actions to embody the concepts in their lives.

The field guide has been carefully designed so that individual learners can gain the same benefits that students have long enjoyed in the author's courses, and the learning tools also lend themselves to both the academic and professional classroom.

- Provides reader with a "self-help" guide to overcoming the personal and professional obstacles that prevent transformational leadership
