Fear: A Gone Novel By Michael Grant

It's been one year since all the adults disappeared. Gone.

Despite the hunger and the lies, even despite the plague, the kids of Perdido Beach are determined to survive. Creeping into the tenuous new world they've built, though, is perhaps the worst incarnation yet of the enemy known as the Darkness: fear.

Within the FAYZ, life breaks down while the Darkness takes over, literally—turning the dome-world of the FAYZ entirely black. In darkness, the worst fears of all emerge, and the cruelest of intentions are carried out. But even in their darkest moments, the inhabitants of the FAYZ maintain a will to survive and a desire to take care of the others in their ravaged band that endures, no matter what the cost.

Fear, Michael Grant's fifth book in the bestselling dystopian *Gone* series, will thrill readers . . . even as it terrifies them.

A will to survive and a desire to take care of those they love endures in this ravaged band, even in the bleakest moments. But in darkness, the worst fears of all emerge, and the cruelest of intentions are carried out. After so many months, is all about to be lost in the FAYZ?

About the Author

Michael Grant has spent much of his life on the move. Raised in a military family, he attended ten schools in five states, as well as three schools in France. Even as an adult he kept moving, and in fact he became a writer in part because it was one of the few jobs that wouldn't tie him down. His fondest dream is to spend a year circumnavigating the globe and visiting every continent. Yes, even Antarctica. He lives in California with his wife, Katherine Applegate, and their two children.
